

Bachelor of Science in Family and Consumer Sciences (BSFCS)
Interior Design
Academic Program Sheet 2015

Texas State GPA: 2.00 Major GPA: 2.25 Minor GPA: 2.00 (optional)

- ID curriculum is accredited by Council for Interior Design Accreditation (CIDA)
 - In the absence of high school language, 2 semesters of the same language must be taken at the college level
 - It is strongly suggested that students consider transferring into the program prior to meeting all general education core curriculum requirements or course options may be limited. The completion of ID major course requirements alone requires a minimum of seven semesters due to strict sequencing, regardless of other credit hours accumulated
 - Majors must pass all required Interior Design, Art, and Technology classes with a grade of “C” or higher. Any student making a grade of “D” or lower in ID, ART, or CSM courses may not proceed to the next level course until a grade of “C” or higher is achieved
 - Legend: *=grade must be C or higher for prerequisite purposes; (WI)=Writing Intensive Course, (F)=historically offered in Fall semester only, (S)=historically offered in Spring semester only, (SU)=historically offered in Summer semester only
