

Sample Infant Newsletter

As we move into fall, each child continues to move towards increased mobility. They are all "moving forward" as they learn to master rolling over, crawling, pulling up, and walking.

This month, we are introducing lots of new songs during our activities and our routine. One of the songs we often sing, is incorporated during diaper changing time. Singing to an infant while you change a diaper is a lovely way to communicate and bond. If you would like to share it with your infant at home, it is sung to the tune of London Bridge and goes like this:

Change a diaper, just like this
Just like this, Just like this
Change a diaper, Just like this
Clean, clean, baby.
