Professional Preparation

Ph.D., Geography. Department of Geography, University of Colorado, Boulder. December 1999.

Dissertation: *The Diffusion, Adoption, and Effects of Instruction with the Internet in U.S. College Geography.*

Ph.D. Committee Chair: A. David Hill.

M.S., Geography. Department of Geography, Pennsylvania State University. August 1995.

Thesis: *Fire History of the Caribou Wilderness, Lassen National Forest, CA.*

MS Committee Chair: Alan H. Taylor.

B.S., Earth Sciences (Geography Minor). Department of Earth Sciences, Pennsylvania State University. August 1993.

Appointments

Director of Educational Research and Programs, Association of American Geographers, Washington, D.C. September 2003 – present. At the AAG I have developed and managed a large number of broad-based, externally funded projects and programs for geography education at all levels.

Co-Director, National Center for Research in Geography Education, December 2013 – present (www.ncrge.org). NCRGE is a research consortium dedicated to supporting, coordinating and building capacity for research in geography education at all levels.

Interim Executive Director, Association of American Geographers, Washington, D.C. May 1 – November 1, 2011. Managed association affairs during current Executive Director's six-month sabbatical in addition to my ongoing responsibilities as Educational Affairs Director.

Research Professor and Lecturer. Department of Geography, Texas State University, San Marcos, TX. December 2013 – present.

Assistant Professor. Department of Geography, Southwest Texas State University, San Marcos, TX. August 2000 – August 2003.

Visiting Assistant Professor. Department of Geography and Environmental Studies, University of Colorado, Colorado Springs. August 1999 - May 2000.

Graduate Part-Time Instructor. Department of Geography, University of Colorado, Boulder. August 1998 - May 1999.

Research Assistant. Center for Geography Education, University of Colorado, Boulder. August 1996 - August 1998.

Adjunct Instructor. Department of Geography and Earth Science, Shippensburg University. August 1995 - May 1996.

Research Assistant. Biogeography Laboratory, Department of Geography, Pennsylvania State University. August 1993 - August 1995.

Grants and Contracts (Principal Investigator or Co-Principal Investigator)

Project Title: Building Capacity for Learning Progressions Research in Geography

Source of Support: National Science Foundation (DRL-1347859)

Total Award Amount: \$292,491

Period: 01/01/2014 – 01/01/2016

Location of Project: Association of American Geographers

Principal Investigators: Michael Solem (Project Director), Niem Huynh and Richard Boehm

Description: This project will create training materials and sponsor workshops to prepare graduate students to carry out learning progressions research based on national geography standards.

Project Title: Aligning Learning Outcomes and Workforce Competencies for Terminal Geography and Geology Master's Degree Programs

Source of Support: National Science Foundation (GEO-1202707)

Total Award Amount: \$109,842

Period: 06/01/2012 – 06/01/2014

Location of Project: American Geosciences Institute

Principal Investigators: Heather Houlton (AGI/Project Director) and Michael Solem (Co-PI)

Description: This project will implement surveys and interviews to assess learning outcomes in terminal geography and geology master's programs in relation to workforce requirements.

Project Title: Researching and Improving Geography Teacher Preparation through Transatlantic Collaborations

Source of Support: National Science Foundation (BCS-1155255)

Total Award Amount: \$99,294

Period: 07/01/2012 – 07/01/2014

Location of Project: Association of American Geographers

Principal Investigators: Michael Solem (Project Director), Susan Heffron (AAG/Co-PI)

Description: This project will conduct a comparative analysis of national curriculum frameworks in geography in the US and EU, and use this information to develop collaborative transatlantic programs for teacher preparation.

Project Title: Internationalizing Geography Education: A Focus on Japan

Source of Support: US-Japan Foundation

Total Award Amount: \$53,000

Period: 05/01/2012 – 05/01/2014

Location of Project: Association of American Geographers

Principal Investigator: Michael Solem

Description: This project will sponsor a delegation of American geography teachers and university professors to attend a workshop at the University of Tokyo where they will develop online geography educational resources in collaboration with Japanese educators.

Project Title: Expanding U.S.-South Asia Collaborations in Geography Education

Source of Support: National Science Foundation (OISE-1065935)

Total Award Amount: \$46,184

Period: September 15, 2011 – August 31, 2013

Location of Project: Association of American Geographers

Principal Investigator: Michael Solem

Description: This project sponsored a delegation of American geography teachers and university professors to attend a workshop in Bangalore, India where they developed online geography educational resources in collaboration with Indian educators.

Project Title: Beyond the Ivory Tower: Researching and Improving Geography Graduate Education for STEM Careers in Business, Government, and Non-Profit Organizations.

Source of Support: National Science Foundation (DRL-0910041)

Total Award Amount: \$993,031

Period: September 1, 2009 – December 31, 2013

Location of Project: Association of American Geographers

Principal Investigators: Michael Solem (Project Director), Co-PIs: Kenneth Foote (University of Colorado), Janice Monk (University of Arizona), Beth Schlemper (University of Toledo), Jean McKendry (Association of American Geographers).

Description: Second phase of a broad-based project researching and supporting workforce development and early career preparation in geography.

Project Title: Expanding U.S.-Southeast Asia Collaborations in Geography Education

Source of Support: National Science Foundation (OISE-0854636)

Total Award Amount: \$48,400

Period: September 15, 2009 – August 31, 2011

Location of Project: Association of American Geographers

Principal Investigator: Michael Solem

Description: This project sponsored a delegation of American geography teachers and university professors to attend a workshop in Singapore where they developed online geography educational resources in collaboration with Southeast Asian educators.

Project Title: Developing an Online Center for Global Geography Education – Phase 2

Source of Support: National Science Foundation (DUE-0717170)

Total Award Amount: \$495,481

Period: September 1, 2007 – August 31, 2011

Location of Project: Association of American Geographers

Principal Investigators: Michael Solem (Project Director), Co-PIs: Phil Klein (University of Northern Colorado), Osvaldo Muñiz (Texas State University).

Description: Second phase of a project creating open-access resources for collaborative online international learning in geography.

Project Title: Expanding Geography Education Networks in the Americas

Source of Support: National Science Foundation (OISE-0652357)

Total Award Amount: \$48,578

Period: April 1, 2007 – March 31, 2009

Location of Project: Association of American Geographers

Principal Investigator: Michael Solem

Description: This project sponsored a delegation of American geography teachers and university professors to attend a workshop in Singapore where they developed online geography educational resources in collaboration with Latin American educators.

Project Title: Enhancing Departments and Graduate Education in Geography

Source of Support: National Science Foundation (REC-0439914)

Total Award Amount: \$1,021,369

Period: April 1, 2005 – December 31, 2009

Location of Project: Association of American Geographers

Principal Investigators: Michael Solem (Project Director), Co-PIs: Kenneth Foote (University of Colorado), Janice Monk (University of Arizona)

Description: First phase of a broad-based project researching and supporting workforce development and early career preparation in geography.

Project Title: A Teacher's Guide to Modern Geography

Source of Support: U.S. Department of Education Fund for the Improvement of Postsecondary Education

Total Award Amount: \$515,927

Period: September 1, 2004 – August 31, 2008

Location of Project: Association of American Geographers

Principal Investigators: Phil Gersmehl (University of Minnesota/Project Director), Co-PI: Michael Solem

Description: This project produced a comprehensive suite of digital and printed materials for geography teacher preparation.

Project Title: Project GeoSTART

Source of Support: NASA

Total Award Amount: \$92,834

Period: April 1, 2006 – December 31, 2007

Location of Project: Association of American Geographers

Principal Investigators: Sheryl Luzzadder Beach (George Mason University/Project Director),
Co-PI: Michael Solem

Project Title: Developing an Online Center for Global Geography Education

Source of Support: National Science Foundation (DUE-0231411)

Total Award Amount: \$152,548

Period: May 15, 2003 – April 30, 2005

Location of Project: Association of American Geographers

Principal Investigator: Michael Solem

Description: First phase of a project creating open-access resources for collaborative online international learning in geography.

Other Project Experience (AAG)

AAG My Community, Our Earth (MyCOE): Geographic Learning for Sustainable Development. Since joining the AAG staff I have provided evaluation, research, and professional development support to various MyCOE projects. Most recently I have participated in MyCOE initiatives funded by NASA and the State Department, which are funding workshops and online training to support teachers and youth focusing on applications of geospatial technology for sustainable development in local communities around the world.

AAG Departmental Leadership workshops. Since June 2008 I have served as a leader in these workshops for building healthy geography departments. The workshops are held annually at the University of Colorado at Boulder.

AAG Geography Faculty Development Alliance workshops. Since 2002 I have participated in research and served as a leader in these workshops for preparing future faculty in geography. The workshops are held annually at the University of Colorado at Boulder.

Geography Education National Implementation Project (GENIP). Periodically since joining the AAG staff I have served on the board of GENIP, a committee that coordinates national geography education initiatives among the AAG, National Geographic Society, National Council for Geographic Education, and the American Geographical Society.

Other Project Experience (External Organizations)

- ***Roadmap to Geographic Literacy*** (January 2011 – August 2013) Served on the research committee for the National Geographic Society's Roadmap project to develop a long-term research agenda for understanding the nature of geographic literacy and how it can be developed through education in the geographical sciences.
- ***National Research Council Committee on the Future U.S. Workforce for Geospatial Intelligence*** (March 2011 – January 2013) Served on an interdisciplinary committee examining workforce development issues for geospatial intelligence careers.

Visiting academic, University of Waikato, New Zealand (February 3 – 21, 2009). Investigated potential of using AccessGrid and EVO platforms for developing communities of practice for teacher professional development in social sciences disciplines.

Graduate Ethics Seminars for Future Geospatial Technology Professionals (October 2007 – September 2009). Provided external evaluation services for a project producing open-access educational resources for teaching professional ethics in the geospatial technology industry.

MECESUP initiative, Universidad de La Serena, Chile (April 2006). Consulted university-led initiatives for building geographic educational collaborations across the Americas through web conferencing and related online collaborative technologies.

Where Faculty Live: Internationalizing the Disciplines (September 2004 – June 2005) Led the geography component of an American Council on Education project exploring the status and potential of internationalizing the undergraduate geography curriculum.

Step Up to Geography Distance Learning Master's Program in Geographic Education (August 2000 – August 2003). Developed three online master's level courses for geography teacher education and served as co-director of the program based at Texas State University.

Scope and Sequence for K-12 Geography (October 2000) Designed materials for teachers aimed at presenting key content based on the national geography standards. The project was led by the Grosvenor Center for Geographic Education at Texas State University.

NCGLA Symposium on Interoperability for Geographic Information Science Education (May 1998) Consulted on an initiative held in Soesterberg, Netherlands for developing a framework for sharing and distributing spatial data for GIS education.

Colorado Geographic Alliance K-12 Summer Institute (June 1997) Served as a teaching assistant to help prepare K-12 geography teachers develop materials based on the Colorado state geography standards.

Postsecondary Teaching

(Southwest) Texas State University (2000-2003): Fundamentals of GIS, Geography for Teachers, Geography of the US and Canada, Theory and Methods of Geographic Education, Nature and Philosophy of Geography.

University of Colorado (1999-2000): Human Geography, World Regional Geography.

Shippensburg University (1995-1996): Geography of the US and Canada, Geography of Latin America, Conservation of Natural Resources, World Geography.

Conference Presentations and Invited Lectures

April 2014. Various AAG project paper and panel sessions. AAG Annual Meeting, Tampa.

March 2014. Taught a four-day GeoCapabilities class with pre-service teachers at Beijing Normal University, Singapore. This class was followed by an invited lecture with undergraduate and graduate geography education students at East China Normal University in Shanghai.

November 2013. Taught a two-day GeoCapabilities class with pre-service teachers at Nanyang Technological University, Singapore.

September 2013. Presented papers on AAG GeoCapabilities and EDGE projects. EUGEO Conference, Rome, Italy.

August 2013. Presented paper on AAG-Japan educational collaborations. International Geographical Union Regional Congress in Kyoto, Japan.

May 2013. GeoCapabilities workshop and presentations. EUROGEO Conference, Bruges, Belgium.

April 2013. Various AAG project paper and panel sessions. AAG Annual Meeting, Los Angeles.

August 2012. Participant and presenter in the International Geographical Union Congress in Cologne, Germany and the IGU Commission on Geographical Education Symposium in Freiburg, Germany.

July 2012. Invited participant and presenter in the Third Annual Conference on Geographic Naming, Seoul, South Korea.

February 2012. Various AAG project paper and panel sessions. AAG Annual Meeting, New York City.

December 2011. Presenting EDGE research findings at the 2011 Conference of the Society for Research in Higher Education in Newport, Wales.

August 2011. Workshop, No Passports Required (AP Human Geography). National Conference on Geographic Education, Portland, Oregon.

April 2011. Various AAG project paper and panel sessions. AAG Annual Meeting, Seattle, Washington.

February 2011. Poster, "Measuring Competencies in Professional Geography". Conference on Modeling and Measuring Competencies in Higher Education, Berlin, Germany.

October 2010. Keynote session, "Careers for Enhancing Society and the Environment". Applied Geography Conference, Fort Worth, TX.

July 2010. Workshop, "No Passports Required". IGU-CGE Symposium in Istanbul, Turkey and the IGU Congress in Tel Aviv, Israel.

June 2010. Workshop, "Teaching International Perspectives". ICED Conference, Barcelona, Spain.

April 2010. INLT Workshop, "Towards a Scholarship of Academic Practice". AAG Annual Meeting, Washington, D.C.

March 14-18, 2010. Workshop, "Expanding U.S.-Asia Collaborations in Geography Education". Nanyang Technological University, Singapore.

March 2010. Workshop, "Teaching Spatial Thinking Skills", University of Tokyo.

March 2010. Workshop, "Teaching International Perspectives", University of Tsukuba.

December 2009. Paper, "Experiencing graduate school: A comparative analysis of students in geography programs". SRHE Annual Conference (Newport, Wales). Oxford Conference on Preparing for Academic Practice, Oxford University.

August 2009. Workshop, "Teaching International Perspectives". IGU-CGE conference, Tsukuba, Japan.

March 2009. Workshop, "Professional Development in the Graduate Curriculum". AAG Annual Meeting, Las Vegas.

March 2009. Paper, "Experiencing graduate school: A comparative analysis of students in geography programs." AAG Annual Meeting, Las Vegas.

March 2009. Workshop, "Professional Development in the Graduate Curriculum". No)Boundaries Graduate Student Conference, Penn State University.

September 2008. Workshop, "No Passports Required". HERODOT Conference, Liverpool.

August 2008. Paper, "Skills in Professional Geography." Royal Geographical Society Annual Meeting, London.

June 2008. Poster, "Building Disciplinary Support for New Scholars". ICED Meeting, Salt Lake City.

March 2008. Paper, "Departmental climate and student experiences in graduate geography programs." AERA Annual Meeting, New York City, NY.

December 2007. Seminar, "Research on Faculty Development: A View from Geography". Oxford Conference on Preparing for Academic Practice, Oxford University.

November 2007. Second Convening of the Carnegie Academy for the Scholarship of Teaching and Learning (CASTL) Leadership Program, Cork, Ireland.

May 2007. Workshop, "Expanding Geography Education Networks in the Americas", Geography in the Americas Conference, La Serena, Chile.

June 2006. Paper, "Strategies for Teaching Geography through International Collaboration." Symposium of the Commission on Geographical Education of the International Geographical Union and the International Cartographic Association, Brisbane, Australia.

March 2006. Chair (multiple sessions), "Enhancing Departments and Graduate Education in Geography." AAG Annual Meeting, Chicago, IL.

January 2006. Plenary, "Technology and Global Geography". Pre-Conference Symposium, *Recentring: Science and Global Learning at the Core*, AAC&U Annual Meeting.

October 2005. Workshop, "A Teacher's Guide to Modern Geography". NCGE Annual Meeting, Birmingham, AL.

September 2005. Paper, "Supporting global learning in geography: Results of an international e-learning project." Royal Geographical Society Annual Conference, London, UK.

April 2005. Workshop, "Internationalizing Geography Education". AAG Annual Meeting, Denver, CO.

November 2004. Invited lecture, "Internationalizing Geography in Higher Education: Initiatives of the Association of American Geographers", sponsored by the Catalan Geographic Society, Barcelona, Spain.

October 2004. Workshop, "Online Center for Global Geography Education". NCGE Annual Meeting, Kansas City, MO.

August 2004. Paper, "The Online Center for Global Geography Education: Research Plans and Progress". IGU Congress, Glasgow, U.K.

March 2004. Panelist, "Geography and No Child Left Behind". AAG Annual Meeting, Philadelphia, PA.

March 2004. Panelist, "Geography and Global Education". AAG Annual Meeting, Philadelphia, PA.

October 2003. Panelist, "Geography Faculty Development Alliance: Helping Early Career Faculty Succeed in Academic Life". Joint Meeting of East Lakes/West Lakes Divisions of the AAG, Kalamazoo, MI.

October 2003. Panelist, "Mentoring Early Career Geography Faculty". NCGE Annual Meeting, Salt Lake City, UT.

May 2003. "Developing an online Center for Global Geography Education". Paper presented at Geo-Nexus: Research in Geographic and Environmental Education, Grosvenor Center for Geographic Education, San Marcos, TX.

March 2003. "Concerns of early career faculty: Perspectives from the 2002 Geography Faculty Development Alliance." Paper presented at AAG Annual Meeting, New Orleans, LA.

November 2002. "Delivering an online certificate program in Geographic Information Systems." Paper presented at the Sloan-C International Conference on Online Learning, Orlando, Florida.
