Staff Resources Fair Success

Mardi Gras-themed Spring Fair breaks new attendance record

Despite the cold, construction, and parking - we hit a new attendance

record! On March 5, we welcomed **265**

attendees to LBJ, which is up from 239 last spring. We also welcomed new department reps and had a very special VIP guest – Boko!

The evaluations from attendees and department reps were positive, including favorable comments on the information provided by departments, activities, the Mardi Gras theme, the raffle and grand prizes.

A special thank you for all of you who participated and attended. We look forward to more improvements for our future staff resources fairs!
