2. All majors must complete the General Education Core Requirements: <http://mycatalog.txstate.edu/undergraduate/general-education-core-curriculum/>. It is recommended that GEO 1310 (Core Code 080) be selected as it is an International Studies Core requirement. Additionally, although MATH 1316 will count for the General Education Core (Core Code 020), it is not recommended for this major because it does not meet the prerequisite requirements for the required Economics courses in the International Studies Core.
3. The 17-hour language requirement must be completed in the same language. Consult with your academic advisor if an advanced course is not available in your language. Foreign language credit from high school will not count for the International Studies degree. **It is recommended that students begin the foreign language requirement in their first semester of study at Texas State.**
4. Honors courses are highly encouraged, but all course substitutions must be approved by the Director of the Center for International Studies before registration.
5. All International Studies majors are required to complete a global studies component that can be fulfilled by completing a study abroad program. Study abroad programs not offered by Texas State must be evaluated by the Study Abroad Office, Undergraduate Admissions, and the Center for International Studies. Students may seek approval to substitute the global studies requirement with an internship course (IS 4387 or IS 4687) if the internship entails international work, service, or group research. All internships and global studies substitutions must be pre-approved by the Director of the Center for International Studies.
