INSTRUCTIONS:

- 1. Surplus equipment being turned into UDC must have:
 - A completed and signed equipment transfer form ready for our personnel when they arrive.
 - Requesting Pickup of Surplus Equipment form must also be completed to schedule your pick up.
- 2. Transfer from must be completed by Account Manager's giving (selling) and receiving (buying), and then submitted to the Property Management Office to make the changes in the permanent inventory records.
 - If Transfer is an Interdepartmental sale, a fair market value is to be established, and documentation showing how the value was determined will be forwarded to the Purchasing Office.
- 3. After adjusting the inventory records to reflect the transfer, Property Management will distribute a copy to each department involved and the General Accounting Office is applicable.
