To support a quasi-experimental, mixed-methods study examining factors that predict persistence in the study of classical music.

Colorado State University

\$90,000 Fort Collins, CO

To support a series of cross-disciplinary, mixed-method studies examining the cognitive, physiological, and social benefits of live performing arts attendance for older adults with cognitive impairment and for their caregivers.

MVLE, Inc. (aka MVLE)

\$15,000 Springfield, VA

To support a case-study evaluation of dance performances featuring adults with varying levels of intellectual and developmental disability alongside professional dancers.

National Association for Music Education (aka NAFME)

\$20,000 Reston, VA

To support secondary data analyses of high school music education as a predictor of post-secondary school success.

Northwestern University

\$25,000 Evanston, IL

To support a national survey examining public perceptions of—and interactions with—artists in local communities.

Trust for Public Land (aka TPL)

\$25,000 San Francisco, CA

To support a national study that examines how parks are integrating the arts as strategies to strengthen communities.

University of Michigan at Ann Arbor

\$20,000 Ann Arbor, MI

To support the development of an evidence-based taxonomy describing the value of arts and design for higher education, communities, and workforce development.

University of Rochester

\$85,000 Rochester, NY

Some details of the projects listed are subject to change, contingent upon prior Arts Endowment approval. Information is current as of May 3, 2018.

To support a series of studies examining changes in social skills among adults and children who read fiction.

University of Southern California

\$90,000 Los Angeles, CA

To support a neurodevelopmental investigation of how music education can benefit executive function and emotion regulation in adolescents.
