

This guide provides a partial list of courses and course choices that fulfill the General Education Core Curriculum and shows equivalent Texas Common Course Numbers (TCCN) for students planning to transfer to *Texas State University* (TXST). This core curriculum list serves as the common foundation for transfer students and the majors they are pursuing. Direct equivalencies may differ from TCCNs and individual degree programs may have additional specific course requirements outlined on their Transfer Planning Guides (TPG).

Updates to the core are made periodically. A complete list of Texas State's Core Curriculum can be found in the Undergraduate Catalog ([mycatalog.txstate.edu/undergraduate](http://mycatalog.txstate.edu/undergraduate)).
