

2023 Texas PREM Conference

Manuel N. Dominguez Sr. Regulatory Affairs Engineer 3M Company UT Austin MRSEC Alum

Speaker Bio

Manuel Dominguez is a Sr. Regulatory Affairs Engineer working for the Transportation Safety Division of the 3M Company. Manuel is responsible for improving safety and standards globally for roadways and vehicles. Manuel received his Ph.D. at the University of Texas at Austin in 2022 in chemistry while conducting research for Prof. Delia Milliron on nanomaterials, nano-assembly and their optical properties. He was a MRSEC Alum from UT Austin and an NSF Fellow. He received his B.S. in chemistry from the University of South Carolina in Aiken and was a Magellan and ACS Scholar. Prior to pursuing his education, he served in the United States Military.
