### **Tailgating and Game Day Experience**

Mr. Pierce and guest Mr. Don Coryell provided an update on Tailgate Central and other initiatives implemented to enhance the football game day experience for fans. Overall, tailgating prior to home games is going well. Tailgating spaces were sold out for the first two home games. Spring Lake and the University Events Center green spaces accommodated overflow tailgating. Mr. Coryell reported that allowing tailgating groups to set up the Friday before each home game is going well. Cabinet members discussed strategies to increase student participation in the Catwalk and Bobcat Charge.

### **August 2020 Calendar**

Provost Bourgeois discussed the August 2020 calendar, and Cabinet members approved the calendar.

### **Mirabeau B. Lamar Medal (#316)**

Dr. Lloyd led a discussion on whether Texas State would nominate a candidate for the 2020 Mirabeau B. Lamar Award. Dr. Breier requested time to consider possible nominees.

### **President's Update (#556)**

President Trauth discussed the university's position when bias posts are tagged to a university Twitter account. President Trauth asked Dr. Breier to work with her communications team to develop a protocol for responding to displays of bigotry through social media.

**RTA 10/9/19 Social Media Response Protocol Discuss protocol for responding to bias posts when university Twitter accounts are tagged.**

### **Significant Issues (#01)**

Mr. Pierce shared that he hosted an Open Forum on the Round Rock Campus on September 19, 2019. His presentation focused on support provided by Information Technology and Library Services.

Dr. Smith provided an update on the mandatory evacuation of the Vie Lofts and how Texas State is assisting displaced students.
