

**Council of Academic Deans Meeting  
May 8, 2012**

**Summary and Action Items**

- **Family Campaign:** Dr. Barbara Breier provided the Council with an update to the Family Campaign and gave her thanks to all who were involved with the Campaign this year. Faculty participation is very high this year.
- **Donor Clearance Issues:** Dr. Breier asked the Council to remind their Chairs/Directors and faculty to please work with her office before contacting donors.
- **Sexual Assault Training Requirement Implementation:** Dr. Joanne Smith provided the Council with clarification on the implementation of the sexual assault training requirements. Instructions will be sent out from her office regarding these new training requirements.
- **Curriculum Proposals:**
  - Change the Master of Social Work major in Social Work-Administration/Supervision Practice to a major in Social Work-Administrative Leadership
  - Add a Master of Science major in Merchandising and Consumer Studies
  - Change the Bachelor of Arts majors in Mass Communication-Advertising, Mass Communication-Electronic Media, Mass Communication-Journalism, and Mass Communication-Public Relations to Bachelor of Science degrees
  - Add a Master of Fine Arts major in Theatre
  - Change the Bachelor of Science major in Geography-Water Studies to a major in Geography-Water Resources

All proposals were approved by the Council.

- **Discover Texas State:** Dr. Dann Brown discussed with the Council the possibility of highlighting 5 or 6 programs from Texas State per year for Discover Texas State. The programs would rotate each year.

**Off Agenda**

- **50 Year Anniversary of African-American Integration to Texas State:** Dr. Bourgeois informed the Council that a campus-wide celebration is being coordinated and stressed that this event will not be a Common Experience theme.
- **Enrollment Update:** Dr. Michael Heintze provided the Council with an admissions update.
- **Prerequisite Analysis for Fall 2012 Registration:** Dr. Debbie Thorne provided the Council with an update on the number of courses with prerequisite/restriction coding problems versus the number of active courses at Texas State.
