

Council of Academic Deans  
April 2, 2013

### **Summary and Action Items**

- **EEO Online Training:** Dr. Herman Horn announced to the Council that EEO training is now available online for faculty and staff.
- **Water Conservation Plan:** Mr. Juan Guerra distributed the Irrigation Conservation Plan to the Council and discussed what this means to Texas State.
- **Update on Banner Wait Lists and Reserved Seats:** Dr. Michael Heintze discussed with the Council wait listing and the issues that are related to it.
- **Academic Advising Webpage:** Dr. Dann Brown discussed with the Council the new, campus-wide academic advising webpage and asked that any thoughts and/or concerns be sent to him.
