

**Council of Academic Deans
December 5, 2006**

Summary and Action Items

- **Curriculum Proposal:** MS in Human Nutrition proposal was approved.
- **Emerging Star Program:** Dr. Heintze gave a report on the Emerging Stars Program that will begin summer 2007.
- **Final Fall Enrollment Report:** Final report was distributed. Dr. Heintze also distributed a report that gives the enrollment by student level, gender, ethnicity, and college.
- **Donor Event:** One faculty member and one student will be nominated by the Deans who best exemplify the case for Academic Excellence at Texas State. The faculty member and student will be involved in the major donor event. Dr. Bourgeois is collecting the nominations from each dean and will coordinate the selection of one student and one faculty member.
