

Council of Academic Deans  
September 17, 2013

### **Summary and Action Items**

- **University Seminar 1100 Course:** Dr. Debbie Thorne and Dr. Ron Brown informed the Council that US 1100 will become an institutional requirement. US 1100 is required of all undergraduate students entering the university with 0-15 semester credit hours completed since high school graduation. Dr. Bourgeois consulted with Council and he approved the proposal which will now go forward to the University Curriculum Committee.
- **Report on the Submission of the General Education Core Curriculum Recommendations to the THECB:** Dr. Ron Brown distributed a handout outlining an overview of general education assessment.
- **Undergraduate and Graduate Admissions Report:** Dr. Michael Heintze provided the Council with an undergraduate admissions report and Dr. Andrea Golato provided the Council with a graduate admissions report.
