

Council of Academic Deans
January 22, 2013

Summary and Action Items

- **Potential New Ph.D. Program:** Dr. Vedaraman Sriraman spoke to the Council about conducting an environmental scan of the feasibility of a new doctoral program in Environmental Science and Engineering.
- **PPS. 7.12: English Language Proficiency:** Dr. Cynthia Opheim discussed the complete re-write of PPS 7.12.
- **Review of SafeCamp Issues for 2013 Summer Camps:** Dr. Ron Brown wanted to affirm with the Council the need to continue running background checks on all camp counselors. The Council agreed.
- **Classroom Contact Hours:** Discussion was held among the Council regarding the number of meeting times for Monday/Wednesday and Tuesday/Thursday classes. The Deans will discuss this issue with their College Councils and this item will be returned to a future CAD agenda.
