Egg Carton Tree

How to make a tree painting from a used egg carton

Supplies needed:

- Empty, clean egg carton
- Blank white canvas or paper
- Green and brown paint
- Paint brushes
- Scissors
- Hot glue gun

Directions:

1. Cut out each individual section of the egg carton.
2. Paint the egg carton pieces green.
3. Set painted egg carton pieces aside to dry.
4. Using the brown paint, paint a tree trunk on the canvas or paper.
5. Hot glue the green egg carton pieces onto the canvas or paper to look like a tree.

Don't have a hot glue gun? Try this:

1. Cut out each individual section of the egg carton.
2. Using the brown paint, paint a tree trunk on the canvas or paper. Let dry.
3. Paint the bottom of one of the egg carton pieces green.
4. While the paint is still wet, use the egg carton piece to stamp the green paint on the canvas or paper.
5. Repeat step 4 to make the green paint look like a tree.
