## STANDARD CORE WATER QUALITY CITIZEN SCIENTIST TRAINING

*Training Date*  
*Training Time*

*Training Address*

Join the statewide program and become a **certified Texas Stream Team citizen scientist** at this free training! Citizen scientists monitor water and environmental quality at their favorite river, creek, or stream.

This training is also a **wonderful opportunity for teachers** wanting to get TEEAC and CPE credit hours!

Please dress accordingly for the outdoors.

To RSVP, please email
