

HEALTH SCHOLAR SHOWCASE

RESILIENT RESEARCH

WHEN & WHERE

APRIL 8, 2022

2:00-5:00PM

PERFORMING ARTS CENTER

405 MOON ST. SAN MARCOS, TX

The Health Scholar Showcase is part of Texas State University's Translational Health Research Center, which seeks to improve health by connecting faculty and community partners to engage in innovative research and sponsored programs. Learn more about investigators, sponsored programs, research teams, have the opportunity to connect with faculty with similar research interests, and learn about new and ongoing research funding opportunities.
