Subject: Please Update Your UnitedHealthcare StudentResources Tax Information - Preview

UnitedHealthcare®

Dear UnitedHealthcare **StudentResources** Insured;

Our records show that you were insured through a UnitedHealthcare **StudentResources** policy in 2017. As such, we're reaching out to you with important information that could impact your 2017 federal tax return.

The Affordable Care Act places the responsibility on the Internal Revenue Service (IRS) for administering the individual coverage mandates and associated fees should an individual not maintain minimal essential coverage. The IRS requires us, as the insurance company, to report to them, in January 2018, those insureds that have such coverage. They also require us to send a statement of coverage to the primary insured, the Form 1095-B.

In order to follow their directives, we must ask you to confirm your personal information that will be included in this reporting and the distribution of the Form 1095-B. The information needed is:

- Name
- Social Security Number (SSN) or International Tax Identification Number (ITIN)
- Date of Birth
- Mailing Address
- Email Address

You may also indicate if you do not have a SSN/ITIN to stop future requests.

In addition, we would like to offer you the opportunity to receive the Form 1095-B in electronic format. While you are confirming the above information in **My Account**, you can elect electronic delivery of the Form 1095-B under **Tax Information**. These headings are in the left navigation bar of My Account.

Select this link, www.uhcsr.com/MyAccount, and log in or create your **My Account**. Once

logged in, you will need to select the **Tax Information** link. This page will allow you to review or submit your SSN or ITIN, (or select the checkbox that you do not have one) and select electronic or paper delivery of your Form 1095-B. You may edit your demographics under My Personal Information and if you need to update your preferred Email address you may change it under My Email Preferences. These selections are found on the left navigation bar of your screen.

After January 31, 2018, you will be able to access your Form 1095-B in **My Account**. An email communication will be sent once the form is ready to be downloaded.

Thank you for your assistance in making this a smooth IRS reporting.
