CANDIDATE QUESTIONNAIRE
<p>Why are you interested in the Trip Staff Training Program?</p>   
<p>What outdoor activities do you currently participate in and at what skill level (novice/intermediate/advanced). Please provide additional information for why you chose that skill level.</p>     
<p>What outdoor activities do you <b>not</b> engage in currently, but are interested in learning (and potentially instructing/leading)?</p>   
<p>Describe any leadership opportunities you have had (do not have to be outdoor-specific):</p>    
<p>Tell us something about yourself that will help us to get to know you better:</p>     

List all relevant and current certifications you hold and their expiration date (CPR/First Aid, WFA, WFR, paddling/climbing certifications, Leave No Trace, interpretive guide, etc):

Recreation Administration Courses Taken:

Relevant Work Experience:

I've reviewed the Trip Staff Training Program dates and can attend everything.

I am able to work on-campus with the Outdoor Recreation program the summer after being hired.

I am able to work as a Trip Leader for at least two-years.

I understand the training process is a time commitment and takes two semesters to complete all minimum requirements before I can lead trips.
