- My eligibility for future financial aid will be based on applicability of enrolled coursework toward my new degree program.
- To be an Epidemiologist, **additional education is required** beyond this undergraduate program.
  - *Completion of this program will not guarantee admittance into a graduate-level program.*
  - *Other schools may require additional prerequisite courses not included in this program.*

- Successful completion of an **approved Minor** is required (see the Applied Epidemiology program [website](#) for a list of recommended options).

- Semester course loads may be limited due to course **prerequisites and sequencing**.
- Some required coursework may be offered on a **rotational basis** or have **limited seat capacity**.
