The classes that are at the same time as the selected class now say "Schedule Conflict" and cannot be added to the *Selected Sessions.*

Continue this until you can no longer add any more classes.

Click on Print Selected Sessions to get a list of your sessions to save.

You can come back to this page at any time to edit your class schedule until the conference ends. We suggest that you update this page if you change classes on site so that we can keep accurate track of which classes you have attended. This is especially important for Judges who are required to receive a certain number of Civil Hours. The number of Civil Hours per class is listed under CEUs.
