From: Catching Valentinis-Dee, Student Body President

Subject: Student Government Passed Legislation: Senate Resolutions

With the intention of honoring the senate's role as a representative body, no resolution passed by the senate during the year 2020 was vetoed. However, I hold my strongest reservations about three particular pieces. I request that my reservations be attached to these selected pieces.

Legislation Passed: S.R.2020-2021.09 Resolution Calling for Non-Policing Alternatives for Campus Safety

Number of Vote: <number>

This legislation is misguided, poorly constructed, and dishonestly represents TXST UPD and campus policing. Furthermore, the enclosed recommendation to defund UPD would result in an unacceptably negative impact upon their ability to ensure student safety and campus security.

Legislation Passed: S.R.2020-2021.11 Resolution Calling for The Texas State University President to Formally Request That the San Marcos District Attorney Drop All Charges Placed Against the Student Protestors Arrested in May 2018 and 2019

Number of Vote: <number>

Acceptance of this legislation by the TXST Administration would be a direct incentivization of unlawful action and disobedience by students. Secondly, the content of this legislation was misrepresented before the senate by its author and sponsors during consideration.

Legislation Passed: S.R.2020-2021.12 Resolution Calling for the Establishment of a Cultural Activities Fee

Number of Vote: <number>

This legislation recommends the introduction of a universal fee for a service already available to students at "a highly reduced cost", in the words of the piece. At this time, the greater student population is wholly uninterested in increasing the cost of attendance for this purpose.

Acknowledged are the following pieces considered and passed by the Student Senate.

A Resolution -

2 To be known as "A Resolution Calling for Reduced Student Fees in Fall
3 2020," which calls on the University administration to establish
4 temporarily reduced certain student fees for Fall 2020 if on-campus
5 operations are suspended due to the COVID-19 outbreak.

6 **WHEREAS:** On March 11, 2020, the World Health Organization (WHO)
7 declared the Coronavirus (COVID-19) as a global pandemic¹; and

8 **WHEREAS:** Texas State University has responded to the crisis by
9 introducing an all-online learning experience for the remainder of
10 Spring 2020; and

11 **WHEREAS:** While not yet announced, University administration will need
12 to decide about extending an all-online learning experience for Fall
13 2020 sometime this summer; and

14 **WHEREAS:** If campus remains closed to students for a full academic
15 semester, students will lose access to programs and services that they
16 pay for which would normally be highly accessible to them; and

17 **WHEREAS:** The programs and services in question include Athletics
18 events, Student Center programs, the Recreation Center, Transportation
19 Services, and many other Student Service Fee funded programs; and

¹ [Statement from World Health Organization, declaring COVID-19 a Global Pandemic](#)

20 **WHEREAS:** COVID-19 has already resulted in a deep recession impacting
21 students and their family's financial ability to pay for tuition and
22 fees; and

23 **WHEREAS:** If students are not going to be able to meaningfully engage
24 with all the programs and services, they pay for from their student
25 fees, they should not be required to pay the full amounts of these
26 fees; therefore,

27 **BE IT RESOLVED:** That should the university maintain a fully online
28 academic experience in Fall 2020, and reduce access to university
29 resources, Texas State University must develop a reduced student fee
30 schedule for the Athletics Fee, Student Center Fee, Student Recreation
31 Center, Transportation Services Fee, and Student Service Fee based on
32 the level of programs and/or services each funding source will be able
33 to provide to the student body (e.g., student's ability to attend
34 athletic events, reductions to SACA's programming schedule, inability
35 to reserve space in LBJ, inability to use workout facilities, reduced
36 shuttle services, etc.); and

37 **BE IT FURTHER RESOLVED:** That upon passage this resolution be
38 forwarded to the Student Body President for further action.
