Subject: Student Government Passed Legislation: Senate Resolutions

With the intention of honoring the senate's role as a representative body, no resolution passed by the senate during the year 2020 was vetoed. However, I hold my strongest reservations about two particular pieces. I request that my reservations be attached to these selected pieces.

Legislation Passed: S.R.2020-2021.11 Resolution Calling for The Texas State University President to Formally Request That the San Marcos District Attorney Drop All Charges Placed Against the Student Protestors Arrested in May 2018 and 2019

Number of Vote: 19 voted in favor, 11 voted in opposition, 0 voted to abstain

Acceptance of this legislation by the TXST Administration would be a direct incentivization of unlawful action and disobedience by students. Secondly, the content of this legislation was misrepresented before the senate by its author and sponsors during consideration.

Legislation Passed: S.R.2020-2021.12 Resolution Calling for the Establishment of a Cultural Activities Fee

Number of Vote: 26 voted in favor, 4 voted in opposition, 0 voted to abstain

This legislation recommends the introduction of a universal fee for a service already available to students at "a highly reduced cost", in the words of the piece. At this time, the greater student population is wholly uninterested in increasing the cost of attendance for this purpose.

Acknowledged are the following pieces considered and passed by the Student Senate.

Legislation Passed: S.R.2020-2021.10 Resolution in Support for The Texas State Employees Union's Petition

Number of Vote: 20 voted in favor, 9 voted in opposition, 0 voted to abstain

Number of Vote: 20 voted in favor, 10 voted in opposition, 0 voted to abstain

Legislation Passed: S.R.2020-2021.16 Resolution Calling for the Installation of Artistic Murals

Legislation Passed: S.R.2020-2021.17 Resolution Calling for Updated Calorie and Diet Specific Information in Dining Halls

Number of Vote: 29 voted in favor, 0 voted in opposition, 0 voted to abstain

Number of Vote: 16 voted in favor, 10 voted in opposition, 0 voted to abstain

A Resolution

To be known as "A Resolution Calling for Updated Calorie and Diet Specific Information in Dining Halls" which requests a review of all caloric information and specific dietary issues so that students with said issues feel comfortable dining at dining halls.

WHEREAS: Currently, the University does not offer an updated system in which the proper caloric and ingredient information is readily displayed in our dining halls causing students to fear dining at said dining halls due to the risk of very dangerous allergic reactions and caloric intake; and

WHEREAS: A Texas State student testified before the Senate Committee on Health and Safety that dining halls on campus do not adequately update their calorie and ingredient specific information; and

WHEREAS: This causes students with specific dietary concerns to not feel safe dining in dining halls on campus; and

WHEREAS: Students in similar situations do not wish to eat at

dining halls because the information is not being updated regularly, or the information is not readily available or properly displayed; and

WHEREAS: Students who fall under the categories as Vegan, or Vegetarian also do not feel the comfort of said information being represented; and

WHEREAS: A dietitian review of Chartwells dietary information will increase accuracy and reliability so that the students feel safer eating at dining halls; therefore,

BE IT RESOLVED: That Texas State begins to review all dietary information provided on campus so that we may bring students with dietary issues the closure to finally feel safe to eat at dining halls paid for with the tuition of said students; and

BE IT FURTHER RESOLVED: That Texas State University has a dietitian review the information and foods distributed by Chartwells so that it may be to a level of accuracy that students with dietary issues feel safe with so that they may consume foods distributed by Chartwells; and

BE IT FURTHER RESOLVED: That in the event that major issues are found in the dietary information that affects students with said issues,

Texas State University begin the process of reassessing contracts with Chartwells so that these issues are resolved indefinitely; and

BE IT FURTHER RESOLVED: That this legislation be forwarded to the Student Body President for further action.
