Subject: Student Government Senate Resolution Legislation 2020-2021.54

Legislation S.R.2020-2021.54 “No Masks at the REC Center While Doing Physical Activities” passed by the Student Government Senate on March 29th, 2021, is attached. This legislation is now outdated because at the time of reading and passage, the State of Texas was still allowing state agencies to require mask wearing, therefore, I support this legislation at this time that the Texas Governor has issued an executive order prohibiting state agencies from requiring wearing masks.
