A Resolution -

To be known as "A Resolution in Support of a Permanent Space for Bobcat Bounty in the LBJ Student Center," which supports the allocation of existing or future space in the LBJ Student Center for the Bobcat Bounty Program and other food security resources.

1 **WHEREAS:** According to the Hays County Food Bank, 40% of Texas
2 State students experience some form of food
3 insecurity; and

4 **WHEREAS:** Food insecurity can reduce students' academic
5 performance, affect mental health, and have physical
6 health side effects; and

7 **WHEREAS:** Student Government wishes to address this issue by
8 supporting Bobcat Bounty with financial support from
9 the Student Government budget and through advocacy by
10 advancing the program's goals and institutional
11 longevity; therefore,

12 **BE IT RESOLVED:** Student Government requests that the LBJ Student
13 Center Director provision a permanent space that
14 can be operated during business hours for Bobcat
15 Bounty and other food security programs in
16 existing available space or in a future yet-to-
17 be-renovated space in the LBJ Student Center;
18 and

19 **BE IT RESOLVED:** Student Government will collaborate with the
20 Bobcat Bounty Steering Committee, the LBJ
21 Student Center Director, and other stakeholders
22 to find a space that fits the program's needs
23 and is appropriately accessible to students; and

24 **BE IT RESOLVED:** Where possible and reasonable, Student
25 Government requests the LBJ Student Center
26 Director to support the Bobcat Bounty program
27 through acquisition or assignment of surplus
28 office supplies, such as computers, printers,
29 furniture, and other standard office equipment;
30 and

31 **BE IT RESOLVED:** That upon passage, this resolution be forwarded
32 to the Student Body President for further
33 action.
