COMMENCEMENT AT TEXAS STATE

Welcome to Texas State University’s Commencement! In order to ensure your enjoyment and safety while visiting with us, please review the following information.

Live Streaming

For your convenience, the ceremonies will be streamed live on the commencement website at www.txst.edu/commencement. Recordings will be available for viewing at a later time.

Processional and Graduate Recognition

Candidates will seat themselves on the arena floor prior to the ceremony in order by degree level. During Graduate Recognition, candidates will cross in front of the stage from right to left.

Commencement and Graduation

Commencement is a ceremony in which preliminary degree candidates are recognized for their academic achievements. The commencement program reflects the name and degree of each candidate as well as the honors designation based on data available at the time of publication. Therefore, this program should not be considered an official list of graduates.

Guidelines for Candidates and Guests

Commencement is a significant and solemn event that celebrates years of academic achievement. In order to ensure that the ceremony is meaningful for all in attendance, please avoid all unnecessary conversation and movement. Also, please refrain from using air horns or other noisemakers during the calling of student names.

Recessional

At the end of the ceremony, all candidates will recess to Sewell Park. Guests should remain seated until all candidates have recessed. Then, guests are welcome to meet their candidates in the park near entrances 2 and 3. In the case of inclement weather, candidates will not process outside, but will leave their seats after the Platform Party has recessed.

Pride and Traditions

Commencement is an important rite of passage with many time-honored traditions. From the ceremonial mace to the gown worn by graduates, every detail of a commencement ceremony is steeped in pride and tradition. To read more about commencement traditions at Texas State, please visit https://www.txst.edu/about/history-traditions/commencement.html

In fall of 2021, Texas State University appointed university-wide working groups to determine the feasibility of two new undergraduate minor programs. The working groups were informed by input from an external committee comprised of members of industry, business, and Texas State alumni to provide broad input from a practitioner standpoint. The working groups determined that there was compelling evidence of strategic demand and value in implementing minors in Data Analytics and Innovation and Entrepreneurship. These minors were subsequently approved and became effective for the fall 2023 semester.

The Data Analytics minor is a university-level interdisciplinary minor that has a feasible path for any Texas State undergraduate student. Many sources highlight the strong demand for data analytics skills in the marketplace. The goal of the minor is to provide students with an option to integrate data science/analytics into their chosen major fields to augment career options and provide a foundation for continuous learning.

The Innovation and Entrepreneurship minor provides an opportunity for students from all disciplines to develop an entrepreneurial mindset and essential skills, such as creative problem-solving, leadership, teamwork, and adaptability, that are critical for professional success. The entrepreneurial mindset is highly valued by employers, promotes educational achievement and success, and is essential in driving innovation in existing organizations and in building new ventures.

The addition of these minors signals Texas State’s strong commitment to student success and to the economy of the State of Texas.
MESSAGE FROM THE ALUMNI ASSOCIATION PRESIDENT

Congratulations, Bobcats! It is my pleasure as the President of your Texas State University Alumni Association to congratulate you on your graduation and to welcome you to our ever-growing alumni family – you are now one of more than 230,000 Bobcat alumni worldwide! On this special day, remember that graduation is not the end of your journey at Texas State, but rather the beginning of your lifelong connection to the university. The Alumni Association’s mission is to keep you connected with Texas State and provide opportunities for you to continue creating relationships with fellow Bobcats. I encourage you to take advantage of our programs and events. To get started, here are some easy ways to get involved:

KEEP IN TOUCH. Bobcat alumni go on to impact communities across Texas and around the world. Make sure to visit alumni.txstate.edu and update your contact information so you always have access to the latest Alumni Association news.

ENGAGE ONLINE. Connect with us on Instagram, Twitter, LinkedIn, or Facebook for the latest information on alumni news and events, and a look into what is happening at Texas State. Want to start a conversation? Our groups on Facebook and LinkedIn also allow you to easily network and connect with thousands of Bobcat alumni.

TAKE ADVANTAGE OF CAREER SERVICES. As an alum, you have access to lifetime Career Services, including career counseling, resume and cover letter review, interview preparation, and career fairs.

STAY CONNECTED. Keep in touch with the Bobcats you know and meet the ones you don’t by participating in one of our regional and affinity-based Alumni Networks or attending alumni or athletic events.

SHOW YOUR SUPPORT. Texas State wouldn’t be the university it is today without the alumni who represent us and advocate for our mission long after graduation. Whether you choose to volunteer your time (we can connect you with opportunities across both of our campuses!), recruit prospective Bobcats, or give to the university during our annual Step Up for State event, there are always ways for you to support the Texas State community.

KEEP THAT MAROON AND GOLD ON HIGH. Your Texas State pride is endless. When you become a Forever Bobcat, not only are you demonstrating your Bobcat spirit, but you also gain access to exclusive opportunities and invest in our university’s legacy. As a Forever Bobcat, you will help students succeed, and make it possible for Texas State to work toward a stronger, more sustainable future. To celebrate your achievement, a reduced rate is available exclusively for new graduates.

You have worked hard to earn your degree, and your alma mater is proud of you. Remember, “Once a Bobcat, Always a Bobcat,” means Texas State will always be an important part of you, and you will always be an important part of Texas State.

Be active within your Alumni Association, demonstrate your Bobcat pride, and get to know more about us at alumni.txstate.edu. I wish you all the best in your endeavors, and I hope to meet many of you at alumni events. Again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with Texas State University.

Once a Bobcat, Always a Bobcat!
