

Castro Residence Hall Construction

December 11, 2023 - Summer 2025

From December 11, 2023 through the Summer of 2025, construction will begin on the Castro Residence Hall Project. A construction fence will be placed between Academy Street and the Supple Science Building. Pedestrian detours will be available on the newly opened mall from south of the Family & Consumer Sciences Building to south of the Roy F. Mitte Building. Traffic detours will need to detour using Woods and North Street.
