### **RESIDENCE HALL INFORMATION**

All rooms are double occupancy. Roommate requests should have been made on the online registration form. If BOTH individuals request each other, those individuals will be placed together. If no roommate is requested, pairings will be made considering grade, age and instrument.

Each Camper is given a key to their room. **It is the responsibility of the camper to lock their room when unattended.** Failure to do so may result in theft or vandalism, for which Texas State University is not responsible. Please report any missing keys to a counselor immediately. There is a minimum charge of \$92.00 for each lost key (a charge to the Band Camp that we must pass on). If a lock change is required, the charge increases. The outside entrance doors to the residence hall are locked 24 hours a day. Entry is available with a counselor through the main entrance. Any damage occurring to any camp facility will be assessed and billed to the individual responsible for those damages. Payment will be due at checkout.

The camp has established desk hours that will be announced at the parent/camper meeting on Sunday. Additionally, the phone number to the desk will be given so messages can be left. We ask there be no cell phone use in classes during the day. **If there is a family or personal emergency**, please begin by contacting the Camp at 512-245-3045 or Camp Coordinators (phone numbers will be provided at the meeting on day 1). If you call, please provide the full name of the camper and if they are attending in the middle school or high school track.

All **lost and found** items should be turned in to a counselor or the residence hall front desk. Every attempt will be made to return found items to the owner. After camp, all unclaimed valuables such as jewelry, electronics, shoes, etc. will be given to the University Police Department at the first of July. Other items will be discarded.

Each residence hall is equipped with **vending machines**, usually located in the main lobby. The camp is not responsible for the maintenance of the machines, so the camp cannot provide refunds if there is a malfunction. A small amount of spending money is suggested for the vending.

**Campers are not permitted visitors at camp** unless written and verified permission is given from his/her parent or guardian and cleared with the Camp Director and Camp Coordinator.

**Before a child is released from camp**, a mandatory release form must be completed and a picture ID shown by the person picking up that camper.

### **MEALS**

Three meals are served each day (M-TH) to on-campus students, as well as dinner on Sunday and breakfast and lunch on Friday. Sunday dinner and M-F Lunch are provided to commuter students from their tuition. If a COMMUTER opts to stay for an evening activity, dinner will cost \$8.00 for that day.

### **INSTRUMENTS, ACCESSORIES AND EQUIPMENT**

There will be an evening at the student recreation center that includes the option of swimming. Appropriate swimwear will be necessary for campers choosing to swim.

All personal items of value should be labeled with the student's name, school, address, and telephone number. Insurance and records of identification of instrument (make, model, serial number) are a recommended precaution.

***The Texas State University Band Camp is not liable for loss, theft, or damage to personal belongings.***

### **PRIVATE LESSONS**

---

Instrumental private lessons from the Texas State Band Camp Faculty are offered to students at a cost of \$25 for each thirty-minute session. It is advised that students bring their own music (method books, solos, etudes, etc.) for private lessons. Scheduling, and payment (check or cash) for private lessons will occur immediately following the Sunday parent/student meeting. This is a great opportunity for all campers!

### **RULES AND REGULATIONS**

---

There will be no tobacco, alcohol, illicit drugs, or weapons possessed by students while attending the Texas State Band Camps. Candles and incense are also disallowed.

Prompt class attendance and proper, respectful, attentive behavior is expected from all students.

Students will be under supervision by camp personnel. Rules and regulations pertaining to Texas State and the Band Camps will be explained to all students at the Sunday parent/student meeting in Evans Auditorium with additional information provided at the dorm meeting the first night. Should an emergency situation occur, student dorm rooms and/or belongings may be searched.

Parents of any student in violation of these policies will be notified immediately and the student may be expelled from the Texas State Band Camp without refund.

### **MEDICAL INFORMATION**

---

**Camper Medical Information forms are available online to be completed and brought to Sunday check-in.**

Medical issues occurring after 5:00 p.m. and before 7:30 a.m. or emergencies at any time will be treated at the Central Texas Medical Center in San Marcos. Parents will be informed of any emergency medical situation that occurs and will be responsible for all medical expenses incurred.

Students with special medical needs should provide the Texas State Band Camp with a detailed written explanation of these needs (i.e. prescriptions, inhalers, etc.). Medications will be held and distributed by specifically-designated Camp Counselors unless other arrangements are made in writing from the parent/guardian. Any student in possession of or under the influence of unauthorized medication may be sent home with no refund.
