

DIVISION 12 FURNISHINGS

Section 12 93 00 – Site Furnishings

PART 1: GENERAL

1.01 Scope of Standard

- A. This standard provides general guidance concerning the specific preferences of Texas State University for outdoor furniture products.
- B. Texas State University recognizes that project conditions and requirements vary, thus precluding the absolute adherence to the items identified herein in all cases. However, unless there is adequate written justification, it is expected that these guidelines will govern the design and specifications for Texas State University projects.

1.02 Quality Control

- A. The Texas State University-San Marcos Project Manager shall review all proposed site furnishings.
