

Autism Summer Camp Contribution Form

AUTISM: WE CARE

Dear Contributor,

Texas State University Autism Summer Camp is presented by Texas State University Department of Health and Human Performance, the Clinic for Autism Research, Evaluation, and Support, and the San Marcos Consolidated Independent School District. The goal of this camp is to serve children with special needs in our community. Specifically, this camp is designed to provide children with autism and related developmental disabilities access to quality summer camp experiences, ensuring their safety and enjoyment, while being sensitive to each child’s unique abilities. The children will experience music, art, crafts, sensory-motor, dance, swimming, yoga, and many other fun-filled activities.

We are asking businesses to contribute for this exciting camp and donate equipment or toys and/or provide monetary gifts toward the camp’s operation. We are a non-profit organization and are grateful for any donations/ gifts your can provide. We will put the contributor’s company name on the back of our camp T-shirts and are also willing to negotiate other types of participation by the businesses.

***Please send in the form so we can put your company’s name (logo) on the back of the camp T-shirts.**

Amount: _____ \$100, _____ \$200, _____ \$500, _____ \$1,000, other _____
