During this morning’s commencement ceremony, an honorary doctoral degree will be awarded to Andrew Nelson Avery, M.D. He will receive the Doctor of Humane Letters, *honoris causa*.

The Avery family is one of the founding families of Round Rock, Texas. For generations, the family has been instrumental in establishing Round Rock as a pro-business, well-educated, civic-minded, and family-friendly community. They have received several accolades, including the Round Rock Chamber of Commerce Lifetime Achievement Award (2016), the Greater Round Rock Community Innovation in Philanthropy Award (2015), and were named Citizens of the Year by the Round Rock Chamber of Commerce (2007).

Formerly known as the Round Rock Higher Education Center, the Texas State University Round Rock Campus was established in 1996 and consisted of several temporary buildings. In 2003, the Avery family donated 101 acres of land to Texas State so that a permanent Round Rock Campus could be established. The land had been in the family for six generations, dating back to Arvid Nelson’s arrival to the United States from Sweden in 1854, and is valued at $2.85 million. The first building on the Round Rock Campus opened in 2005 and was appropriately named in the family’s honor.

Dr. Avery is the younger brother of Mr. John S. Avery, Sr. Dr. Avery has nearly 27 years of experience in higher education as a healthcare educator and program administrator. From 1996 to 2009, he served as professor and director of occupation and environmental medicine for The University of Texas Medical Branch at Galveston. In 2010, he began his tenure with the Texas A&M University System. From May 2010 to April 2014, he served as associate dean for development for the Texas A&M University System. From May 2010 to April 2014, he served as associate dean for development for the Texas A&M Health Science Center in Round Rock. From 2009 until his retirement in 2022, he served in a joint appointment as clinical professor in the Primary Care and Rural Medicine Department at Texas A&M Health Science Center and as director of the Preventive Medicine Residency Program.

Prior to his work in academia, Dr. Avery owned his own medical practice in Austin, Texas. Dr. Avery specialized in public health, general preventative medicine, internal medicine, occupational medicine, and medical toxicology.

Dr. Avery earned a Bachelor of Arts degree in Psychology from The University of Texas at Austin in 1969 and a Doctor of Medicine degree from The University of Texas Medical Branch in 1973.

Because of his dedication to service, to community engagement, and to higher education in Texas, Dr. Avery is an inspiring example of community service and community pride.

Mr. Avery has served the Round Rock community as a board member of several organizations including the YMCA of Greater Williamson County Metro (now known as the YMCA of Central Texas), Old Settlers Association of Williamson County, and the Williamson County Economic Development Partnership of the Round Rock Chamber of Commerce. Mr. Avery now serves as a partner of the Avery Ranch Company, LTD, which was founded by the Avery family in 1998. As a student at The University of Texas at Austin, he was a member of Kappa Sigma fraternity.

Mr. Avery earned a Bachelor of Arts degree in 1968 and a Doctor of Jurisprudence degree in 1970 from The University of Texas at Austin.

**The Legacy of Tomorrow**

This historic class of new Bobcat graduates, whom we gather here to honor, are receiving their degrees as we kick off Texas State University’s 125th anniversary.

Commencement is a testimony to our anniversary theme, The Legacy of Tomorrow, and our founding mission, to create a better future for our students, our state, and the world through higher education.

Our first class of 303 students stepped into Old Main with the goal of becoming teachers, and with the humble but ambitious goal of building stronger communities and a better Texas by expanding educational opportunities across our state.

Through the decades, we’ve expanded our mission, developed new programs, and created new knowledge. Our earliest graduates could only earn a teaching certificate. This week we will confer more than 4,300 well-earned bachelor’s, master’s, and doctoral degrees.

We are proud to continue preparing the best teachers in Texas, as well as entrepreneurial leaders, world-class scientists, and creative artists. Our ever-growing network of Bobcat alumni is our legacy, building a better tomorrow for themselves, their communities, and the world.

MESSAGE FROM THE ALUMNI ASSOCIATION PRESIDENT

Congratulations, Bobcats! It is my pleasure as the President of your Texas State University Alumni Association to congratulate you on your graduation and to welcome you to our ever-growing alumni family – you are now one of more than 232,000 Bobcat alumni worldwide! On this special day, remember that graduation is not the end of your journey at Texas State, but rather the beginning of your lifelong connection to the university. The Alumni Association’s mission is to keep you connected with Texas State and provide opportunities for you to continue creating relationships with fellow Bobcats. I encourage you to take advantage of our programs and events. To get started, here are some easy ways to get involved:

KEEP IN TOUCH. Bobcat alumni go on to impact communities across Texas and around the world. Make sure to visit alumni.txstate.edu and update your contact information so you always have access to the latest Alumni Association news.

ENGAGE ONLINE. Connect with us on Instagram, Twitter, LinkedIn, or Facebook for the latest information on alumni news and events, and a look into what is happening at Texas State. Want to start a conversation? Our groups on Facebook and LinkedIn also allow you to easily network and connect with thousands of Bobcat alumni.

TAKE ADVANTAGE OF CAREER SERVICES. As an alum, you have access to lifetime Career Services, including career counseling, resume and cover letter review, interview preparation, and career fairs.

STAY CONNECTED. Keep in touch with the Bobcats you know and meet the ones you don’t by participating in one of our regional and affinity-based Alumni Networks or attending alumni or athletic events.

SHOW YOUR SUPPORT. Texas State wouldn’t be the university it is today without the alumni who represent us and advocate for our mission long after graduation. Whether you choose to volunteer your time (we can connect you with opportunities across both of our campuses!), recruit prospective Bobcats, or give to the university during our annual Step Up for State event, there are always ways for you to support the Texas State community.

KEEP THAT MAROON AND GOLD ON HIGH. Your Texas State pride is endless. When you become a Forever Bobcat, not only are you demonstrating your Bobcat spirit, but you also gain access to exclusive opportunities and invest in our university’s legacy. As a Forever Bobcat, you will help students succeed, and make it possible for Texas State to work toward a stronger, more sustainable future. To celebrate your achievement, a reduced rate is available exclusively for new graduates.

You have worked hard to earn your degree, and your alma mater is proud of you. Remember, “Once a Bobcat, Always a Bobcat,” means Texas State will always be an important part of you, and you will always be an important part of Texas State.

Be active within your Alumni Association, demonstrate your Bobcat pride, and get to know more about us at alumni.txstate.edu. I wish you all the best in your endeavors, and I hope to meet many of you at alumni events. Again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with Texas State University.

Once a Bobcat, Always a Bobcat!
