SEMESTER REPORT AT A GLANCE - THE STUDY

SPRING 2023

THE STUDY

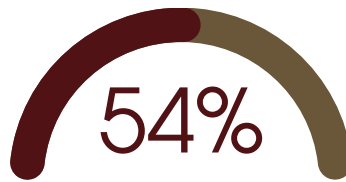

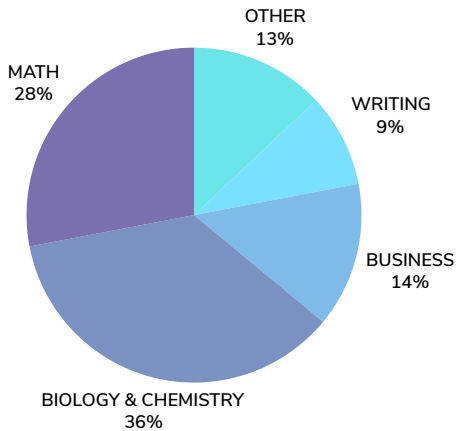

The STUDY is Texas State's longest standing tutoring center and staffs student tutors who specialize in a variety of courses, including math, science, writing, business, modern languages, and much more. A walk-in service funded by Student Success Fees, The STUDY requires no scheduled appointments for tutoring and consists of a "floating" tutoring environment, where tutors may be helping multiple students across multiple subjects at the same time.

The STUDY houses the Veteran Academic Success Center (VASC). This program provides academic and peer-assistance mentoring resources for the TXST military-connected and student veteran population.
