Important: F-1 Immigration Check-in Process

Dear New International Student,

The beginning of the Fall 2024 session is coming up on August 26, 2024, and we are excited for each of you coming to Texas State. All new students coming to Texas State on an F1 visa (including transfer students and students returning to Texas State for a new degree) must complete the mandatory F-1 Immigration Check-In upon arrival in the U.S. This check-in process has two required steps, one of which is completed online.

You MUST complete this process by Friday, August 23, 2024, before 5 PM:

1. **SUBMIT IMMIGRATION DOCUMENTS**: This step cannot be completed until **after** you **arrive** in the US and are connected to the Wi-Fi at Texas State University.

   o A **separate email** will be sent to you inviting you to **create a portal profile**. You will be using this portal to:

     - provide your local address in the US and;

     - submit your immigration documents (Visa, signed I-20, and I-94)

     - If you do not have a device available to you to complete this step, you may go to any computer lab on campus with your documents available digitally to upload to the request in the portal. You can send them to yourself via email, available in a secure cloud application, or have them on a flash drive.

2. **I-STUDENT ORIENTATION (ISO)**
   I-Student Orientation (ISO) provides essential support for new incoming international students, offering timely and relevant information to facilitate new incoming students'

transition into the TXST campus community. Various campus departments will participate by offering sessions with valuable information. Light snacks will be available.

Fall 2024 I-Student Orientation
Date: Thursday, August 22, 2024
Place: Alkek 250 Teaching Theatre (in front of the Alkek Library)
Time: 9am-2pm
