

Hilltop II Project - Phase 2 (Site Preparation)

(August 27, 2024 - Fall 2027)

Starting August 27, 2024, the areas surrounding and including Smith and Arnold Hall will be closed for abatement and demolition activities. Traffic flow around the construction site will be converted to one-way traffic up to the intersection of Student Center Drive and Matthews Street. Pedestrian detours around the north side of the closure will be marked with signage and barriers.
