**REQUEST FOR QUALIFICATIONS FOR
ARCHITECT/ENGINEER PROFESSIONAL SERVICES
SAM HOUSTON STATE UNIVERSITY
HUNTSVILLE, TEXAS
NEW UNIVERSITY HOTEL
RFQ No.: 758-25-06082**

SECTION 1 – GENERAL INFORMATION & REQUIREMENTS

- 1.1 **GENERAL INFORMATION:** The Texas State University System (“Owner”), on behalf of **Sam Houston State University**, is soliciting Statements of Qualifications (“Qualifications”) for the selection of an Architect/Engineer (“A/E”) firm for design of the **New University Hotel** project (“Project”) on the Sam Houston State University, Huntsville, Texas campus, in accordance with the terms, conditions, and requirements set forth in this Request for Qualifications (“RFQ”). Prospective A/E firms are hereinafter referred to as “Respondents”.
- 1.1.1 Collecting Qualifications in response to this RFQ is the first step in selecting an A/E firm. This RFQ provides the information necessary for Respondents to prepare and submit Qualifications for consideration by the Owner. In the next step the Owner will determine an initial ranking of the Respondents. If the initial ranking of the Respondents is reasonably conclusive, the Owner may make a “most qualified” selection based upon the written Qualifications only. If not, then the Owner may conduct interviews with a “short list” of Respondents.
- 1.1.2 The Owner may select up to five (5) of the top ranked qualified Respondents to participate in an interview with the Owner to confirm and clarify the Qualifications submitted and to answer additional questions. The Owner will then rank the interviewed Respondents in order to determine a single most qualified Respondent.
- 1.1.3 After selecting the most qualified Respondent the Owner will negotiate the detailed professional services to be provided by the A/E and a suitable fee for those services. The Owner will request a fee proposal from the most qualified Respondent, with supporting information demonstrating that the requested fee is justified by the level of effort (and related personnel costs) required to provide the services necessary for the design of the Project. Potential Respondents should be aware that, except in unusual cases, the Owner does not consider billable time incurred while traveling to and from the Project site, Owner’s offices, or Board of Regents meetings, as necessary to the completion of the Project. Potential Respondents whose offices are located where such time-consuming travel will be regularly required in the performance of services for the Project, should consider this policy when deciding whether or not to submit their Qualifications.
- 1.2 **PUBLIC INFORMATION:** All information, documentation, and other materials submitted in response to this solicitation are considered non-confidential and/or non-proprietary and are subject to public disclosure under the Texas Public Information Act (*Texas Government Code*, Chapter 552.001, *et seq.*) after the solicitation is completed. The Owner complies with all statutes, court decisions, and opinions of the Texas Attorney General with respect to disclosure of RFQ information. Additionally, pursuant to the provisions of *Texas Government Code* Section 2261.253, the contract resulting from this solicitation will be posted on the Owner’s website.
- 1.3 **TYPE OF CONTRACT:** Any contract resulting from this solicitation will be in the form of the Owner’s Standard Architect/Engineer Agreement for Construction Manager-at-Risk projects, a

copy of which is posted on Owner's website at: <http://www.tsus.edu/offices/finance/capital-projects.html> The Agreement should be viewed as a draft and is subject to change.

1.4 **CLARIFICATIONS AND INTERPRETATIONS:** Discrepancies, omissions or doubts as to the meaning of RFQ documents shall be communicated in writing to the Owner for interpretation. Any responses to inquiries, clarifications, or interpretations of this RFQ that materially affect or change its requirements will be posted by the Owner as a written addendum. All such addenda issued by the Owner before the proposals are due, become part of the RFQ. Respondents shall acknowledge receipt of and incorporate each addendum in its Qualifications. Respondents shall be required to consider only those clarifications and interpretations that the Owner issues by addenda. Interpretations or clarifications in any other form, including oral statements, will not be binding on the Owner and should not be relied on in preparing Qualifications. It is the responsibility of all Respondents to check the status of formal addenda five (5) calendar days prior to the submittal deadline. The deadline for the receipt of written questions and submittal deadline is stated in Section 2.5.

1.4.1 **ADDENDA AND AWARD INFORMATION, WILL BE ISSUED BY THE OWNER FOR THIS RFQ VIA THE ELECTRONIC BUSINESS DAILY WEBSITE AT THE FOLLOWING LINK:** <https://www.txsmartbuy.com/esbd> REFERENCE "BOARD OF REGENTS/TEXAS STATE UNIVERSITY SYSTEMS – 758" AND THE RFQ NUMBER PROVIDED IN THIS RFQ.

1.5 **SUBMISSION OF QUALIFICATIONS:**

1.5.1 The Qualifications must be received **at the address specified in Section 1.5.2 prior to the date and time deadline.** Please note that overnight deliveries such as FedEx and UPS arrive at a central campus location but are not usually delivered to the specified location until after the time deadline. Respondents are advised to use other methods of delivery or, if using an overnight delivery service, to send the Qualifications a day earlier than usual. The Owner will not consider any response to this solicitation that is not received at the address specified by the deadline, regardless of whether it has been received by the University.

1.5.2 **DEADLINE AND LOCATION:** The Owner will receive Qualifications and HSP Plans for RFQ No. 758-25-06082 at the time and location described below.

- 1.7.1 Qualification submittals shall not include any information regarding Respondent's proposed fees, pricing, or other compensation considerations as these will not be a factor in the selection of the most qualified Respondent.
- 1.8 OWNER'S RESERVATION OF RIGHTS: The Owner may evaluate the Qualifications based on the anticipated completion of all or any portion of the Project. The Owner reserves the right to divide the Project into multiple parts, to reject any and all Qualifications and re-solicit for new Qualifications, or to reject any and all submissions and temporarily or permanently abandon the Project.
