

STUDY ABROAD IN THE CZECH REPUBLIC

SUMMER 2025

MAY 18 - 28

DON'T MISS OUT ON THE AMAZING OPPORTUNITY TO EXPLORE BRNO & PRAGUE

Learn

Receive insights from key researchers and practitioners representing prominent healthcare organizations and educational institutions

Grow

Compare how care is provided in the Czech Republic vs in the United States

Transform

Acquire a foundational knowledge of the Czech healthcare system, examining its organizational structures, financing models, legal framework, quality of care considerations, and delivery methods

While the programs application is being created, please reach out to the program director for any questions you may have

Dr. Joseph Baar Topinka

*Associate Professor of Practice,
School of Health Administration, Texas
State University*
