What is Philanthropy Week

The mission of Philanthropy Week is to assist in setting the stage of unity and collaboration within the Fraternity and Sorority Life (FSL) community. Each Fall, we start the academic year off promoting FSL unity and creating lasting relationships across all four of Texas State University's FSL Councils.

Philanthropy Week is a time for all fraternities and sororities at Texas State University to come together in efforts to raise funds and accept donations for philanthropic initiative with a San Marcos agency, participate in fun and friendly competitions, and form a united community for this year and the years to come.

All monies raised and donations collected this year, will benefit the Brookdale Assisted Living
