1 **A Resolution-**

2 To be known as "A Resolution to Enhance Campus Safety and  
3 Accessibility", relating to parking infrastructure and  
4 transportation services at Texas State University.

5 **WHEREAS:** The Student Government of Texas State University, on  
6 behalf of the student body of Texas State University, would like  
7 to address the need for enhanced safety measures and accessibility  
8 on campus; and

9 **WHEREAS:** Currently, parking garages on campus lack mirrors, at  
10 turns specifically, increasing the risk of accidents due to limited  
11 visibility; and

12 **WHEREAS:** The current parking permit signs at parking garage and  
13 parking lot entrances, are fading and deteriorating, causing  
14 potential confusion among students and faculty regarding parking

15 regulations and availability across the 100 parking lots and  
16 parking garages on campus; and

17 **WHEREAS:** Additionally, there is a need for improved clarity and  
18 awareness of specific bus routes to designated bus stops,  
19 especially in the event of app outages, to ensure students can  
20 navigate campus transportation effectively, suggesting that the  
21 addition of signs where the specific bus route picks up and drops  
22 off students could help to eliminate this confusion; and

23 **WHEREAS:** It is crucial to address these issues to ensure the safety  
24 and convenience of students, faculty, staff, and visitors to the  
25 university campus; therefore,

26 **BE IT RESOLVED:** The Student Government of Texas State University  
27 expresses its support for the installation of mirrors in all  
28 parking garages on campus to enhance visibility and prevent  
29 accidents, and recommends the immediate updating of parking permit  
30 signs at parking garage and parking lot entrances, to ensure  
31 visibility and clarity regarding parking regulations across the  
32 100 parking lots and parking garages on campus, and also recommends  
33 the addition of specific bus routes to designated bus stops,  
34 ensuring students are aware of the routes taken by each bus,  
35 particularly in the event of app outages, that would therein  
36 establish signage of specific bus routes to designated stops,

37 ensuring students are well-informed about the routes taken by each  
38 bus to facilitate efficient campus transportation; and

39 **BE IT FURTHER RESOLVED:** This legislation be forwarded to the  
40 Student Body President for further action.
