S.R.23-24.15

1 A Resolution-

2 To be known as the "Auxiliary Committee Recommendation
3 Resolution". The Auxiliary Committee of Senate Session Spring
4 2024 has several recommendations. We would like the next
5 Auxiliary Committee in Senate Session 2024-2025 to pick up and
6 further research and write legislation.

7 **WHEREAS:** The Auxiliary Committee of Spring 2024 has
8 diligently evaluated various aspects of campus life and
9 identified areas that could use some improvement such as
10 Alkek's resources, dining services, the operation of the Book
11 Smart Program, and the ongoing issue on course availability
12 and instructional methods; and

13 **WHEREAS:** There is a persistent need to expand the range and

14 obtainability of physical textbooks available in the library
15 to cater to the courses offered at Texas State University.
16 The Committee aims to advocate for comprehensive research
17 into the availability of courses for registration in
18 upcoming semesters. Considering the more frequent online
19 teaching styles present limited options for students and
20 need further evaluation to enhance student options and
21 experiences throughout the semester; and

22 WHEREAS: The recommendations proposed by the current
23 Auxiliary Committee encourage further evaluations into these
24 areas to better understand the challenges and develop
25 effective solutions. The commitment to enhancing these
26 aspects of campus life is vital for the overall well-being
27 and satisfaction of the student body; and

28 WHEREAS: The current Auxiliary Committee Chair will give the
29 incoming administration a proposal regarding these issue
30 areas to pass along to the incoming committee; therefore,

31 BE IT RESOLVED: That the current Axillary Committee would
like to task the Auxiliary Committee of Fall 2024 and Fall
32 2025 to conduct in-depth research and analysis into the
33 identified areas and to draft impactful legislation aimed at
addressing the issues raised; and

34 BE IT FURTHER RESOLVED: This legislation be forwarded to the
35 Student Body President for further action.
