**S.R.2023-2024.02**

1

**A Resolution -**

2 To be known as "A Resolution to Establish Surveillance Cameras  
3 in Freshman Parking Garages and other Parking Garages", relating  
4 to the growing number of cases of smash and grab's, thievery, and  
5 vehicle vandalism.

6 **WHEREAS:** The Student Government of Texas State University, on  
7 behalf of the student body of the Texas State University would  
8 like to address this issue; and

9 **WHEREAS:** Vehicle vandalism, thievery, and crime has increased  
10 with not only the growing capacity of a freshman class, but the  
11 growth of the University as well; and

12 **WHEREAS:** Having to worry about a vehicle being broken into,  
13 items, stolen, car vandalized, should be the last thing a  
14 first-year student needs to worry about, and a university  
15 accelerating in presence should not have to worry about this  
16 issue, for the sake of putting money and effort into growing  
17 areas; and

18 **WHEREAS:** UPD stated that "The number of cases and workload that

19 contains something pertaining to a vehicle within the past few  
20 years, but especially this year, has increased dramatically.”;  
21 and

22 **WHEREAS:** A possible solution is placing surveillance cameras  
23 specifically in freshman parking garages and also all other  
24 parking garages to keep from the continuation of such behavior;  
25 therefore,

26 **BE IT RESOLVED:** That we, as students, would appreciate the  
27 additional safety on our property, and the rapport with freshman  
28 would heed well in upcoming years; and

29 **BE IT FURTHER RESOLVED:** That this legislation is forwarded to  
30 the Student Body President for further action.
