RELY ONLY ON INFORMATION AND INSTRUCTIONS CONTAINED IN THE SOLICITATIONS POSTED ON THE ESBD - NOT THE FOLLOWING SUMMARY

Status	Type	Posting Date **	Description
Closed Negotiation in Progress	CMR Services RFQ	Issued 12/3/24 Due 1/9/25	Name: Hilltop Housing - Phase II Institution: Texas State State University
			GSF: 458,000 Estimated CCL: \$175,000,000 to \$223,000,000
			The new Hilltop Housing – Phase II will be a complex of four (4) 10-story housing structures comprised of 415,868 GSF, and a dining complex comprised of 41,751 GSF that includes dining areas to accommodate 550 seats. The proposed project will require site and utility improvements/upgrades in this portion of the campus to provide a facility that is efficient and functional to its users.
Closed Negotiation in Progress	Design/Build RFQ	Issued 11/20/24 Due 1/7/25	Name: Lake Ament Dam Alteration Institution: The Texas State University System
			GSF: N/A Estimated CCL: \$900,000
			The Texas State University System (TSUS) owns land in the Christmas Mountains, located north of Terlingua, Texas. The area north of the Christmas Mountains is home to Lake Ament Dam, constructed in 1911. TSUS seeks to reduce the height of dam to address existing structural concerns and to affect its designation as a High Hazard dam.
Closed Negotiation in Progress	A/E Services RFQ	Issued 11/21/24 Due 12/17/24	Name: Hilltop Housing - Phase II Institution: Texas State State University
			GSF: 458,000 Estimated CCL: \$175,000,000 to \$223,000,000
			The new Hilltop Housing – Phase II will be a complex of four 10-story housing structures comprised of 415,868 GSF, and a dining complex comprised of 41,751 GSF that includes dining areas to accommodate 550 seats. The proposed project will require site and utility improvements/upgrades in this portion of the campus to provide a facility that is efficient and functional to its users.
Closed Negotiation in Progress	CMR Services RFQ	Issued 11/14/24 Due 12/10/24	Name: The Woodlands Center Renovation Institution: Sam Houston State University
			GSF: 40,479 Estimated CCL: \$10,354,000
			The University's Nursing program has demonstrated demand from potential students that exceeds the existing instructional capacity of The Woodlands Center, as currently configured. The programmed renovations will provide space to support 720 Nursing students. Spaces will include traditional classrooms, active learning classrooms, skills labs, simulation space, offices, and a student success center.
Closed Negotiation in Progress	CMR Services RFQ	Issued 10/4/24 Due 10/28/24	Name: New University Hotel Institution: Sam Houston State University
			GSF: TBD Estimated CCL: \$24,700,000
			The new Sam Houston State University Hotel will be an upscale, select service, University-owned facility. The Hotel will consist of approximately +/- 120 guest rooms, as well as additional floors for hotel amenities, lobby spaces, service areas, and restaurant/retail spaces at the street level. The aim is to create a vibrant and modern hotel that serves both the university community and the public.
Closed Awarded	A/E IDIQ Services RFQ	Issued 9/30/24 Due 10/29/24	Name: IDIQ A/E Services Institutions: LIT, LSCO, & LSCPA
			Term: 3 Years + 2 - 1 Year Extension Options Total Value: \$3,000,000 with option to increase
			Indefinite Quantity-Indefinite Delivery ("IDIQ") Architectural/ Engineering services for planning, design, renovation and new construction of projects for Lamar Intitue of Technology, Beaumont, Texas; Lamar State College Orange, Orange, Texas; and Lamar State College Port Arthur, Port Arthur, Texas, on an hourly fee or lump sum basis as needed. Expected required services include, but are not limited to, pre-project planning, cost estimating, programming, design, construction document preparation, bidding assistance, and construction phase administration, or any other professional A/E services that are beneficial in the delivery of facilities.
