

### STUDY ABROAD

Sarah Meddings January 4-13, 2024

#### WHO IS GLOBAL BRIGADES?

- Non-profit, volunteer organization
- Help communities through university and local volunteers
- <u>Mission</u>: "Inspire, mobilize, and collaborate with communities to achieve their own health and economic goals"
- <u>Vision</u>: "Millions of empowered community members with the resources and capacity to thrive"
- Holistic Model: "Global Brigades uniquely implements a holistic model to meet the community's health and economic goals. Our model systematically builds community ownership and collaboratively executes programs to evolve into a relationship of impact monitoring sustainably"

#### WHAT WE DO AS STUDENTS

- Listen to lectures on Panama
- Meet with community health workers and listen to their stories
- Work in junction with the nursing students on education known as Charlas
- Pack supply bags for the community
- Learn Spanish
- Work in clinic
  - Four days total, two different communities
  - Assist the nursing students
  - Health Informatics

#### **GOING TO CLINIC**

### CLINIC

### WHAT DOES CLINIC LOOK LIKE AND WHAT WILL I BE DOING?

Intake

Triage

Doctor consultation/Physical Therapy

Charla

Pharmacy

Data Entry

### INTAKE, TRIAGE, AND CONSULTATION

- Intake will start by obtaining demographic information from the patient's ID
- Triage will collect history, vital signs, and symptoms
- The Global Brigade doctors will visit with the patients, perform any tests, and determine a diagnosis

#### INTAKE, TRIAGE, AND CONSULTATION

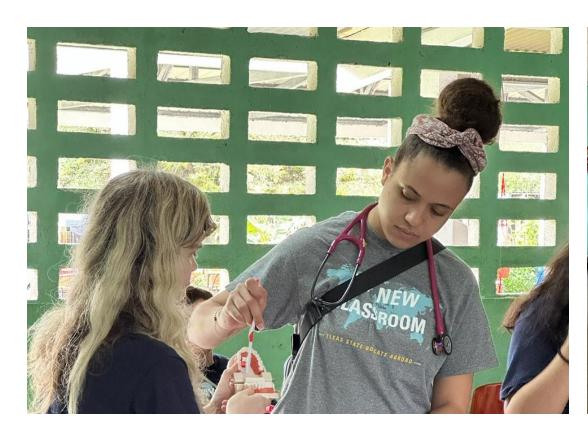

- Educational learning opportunities for the community members
- Topics on the following subjects:
  - Women's health & prenatal care
  - Oral hygiene
  - Nutrition & exercise

- Delivered in Spanish
- Games

#### **PHARMACY**

- Find the medicine prescribed by the doctors
- Fill out labels informing patients how to take medication
- Pharmacist educates patients on how to take medication properly

#### **DATA ENTRY**

Practice entering Patient information into Global Brigades EHR systems

Obtain information from the intake sheet

Firsthand doctor handwriting

Notice health trends within each community
