Experiences in Communication Studies

The communication studies major is designed for students interested in the creation, expression, and analysis of messages in their personal, professional, and public lives. The department offers a variety of programs centered on a diverse curriculum teaching marketable skills in areas such as verbal and nonverbal communication, organizational and professional communication, rhetoric and criticism, argumentation and persuasion, and communication technology. Students may participate in faculty-led study abroad or Study in America trips, learn with peers in living and learning communities, develop a professional community at networking events, compete in student competitions, or join student organizations for a well-rounded experience. Three optional concentrations are available: relationship management and well-being; professional and organizational advancement; and persuasion, advocacy and civic engagement.
