Experiences in Music Studies

The bachelor of music in music studies (Education) with all-level teacher certification (TExES Music EC-12) trains students to be successful music teachers in band, choir, elementary, mariachi and orchestra. Students may elect to add an optional minor in composition, jazz, mariachi, and/or opera. Students train directly with world class faculty in an intensive and nurturing environment. Facilities include the Performing Arts Center where faculty, students, and guest artists offer a rich calendar of performances. Membership in a choice of numerous ensembles is available to develop musicality. The student experience is enhanced through optional membership in student organizations, study abroad, internships, community outreach, and more.
