Experiences in Musical Theatre

The bachelor of fine arts in musical theatre provides students with a holistic, wellness-based, customized training in musical theatre performance. Students are prepared for the current professional market and nurtured to become artists who embody integrity in all aspects of their lives. The comprehensive curriculum takes an innovative, cutting-edge approach designed by industry professionals to support artists who will shape the future of the art form. A strong community culture exists within the program and optional participation in study abroad, internships and membership in student organizations are also part of the student experience.
