

**Board of Regents Meetings  
Campus Updates**

Quarterly Meeting	Institutions
February	Sam Houston State University
May	Texas State University; Lamar Institute of Technology
August	Sul Ross State University; Lamar State College Orange
November	Lamar University; Lamar State College Port Arthur

Campus updates are typically presented at the beginning of the Friday Board meeting. Whether you plan to share a PowerPoint, a video, or both, please aim for a total runtime of 3–7 minutes. A week before the meeting, let us know who will introduce the update (such as the President, Provost, or another representative), along with a brief summary of the presentation's focus. This summary will be included in the official posting on the Secretary of State's website.
