Institution Name
President's Report
Presented to the Board of Regents
November 2025 (Month Year)

Suggested Sections

1. Enrollment, Retention & Recruitment

You may wish to highlight new strategies, programs, or initiatives that align with or expand on the Enrollment Report, including efforts related to student success.

2. Research *(if applicable)*

Consider summarizing notable research activity, recent achievements, or new initiatives in this area.

3. Planning, Assessment & Accreditation

This section can include updates on SACSCOC reaffirmation, progress on strategic plans, or other major institutional efforts.

4. Institutional Development

This section might include:

- **Advancement:** An overview of recent gifts, with emphasis on major contributions.
- **Events:** Highlights from recent or upcoming events.
- **Alumni Engagement:** Noteworthy updates or achievements from your alumni network.

5. Athletics *(if applicable)*

Share key updates, accomplishments, or recognitions from your athletics programs.

6. Other Institutional Highlights

You might include updates on:

- **Capital Projects:** Progress on design development, groundbreakings, or ribbon cuttings
- **Information Technology:** System upgrades, cybersecurity initiatives, or digital learning enhancements
- **Key Appointments:** New leadership or notable hires
- **Community Involvement:** Outreach efforts, partnerships, or volunteer activities

General Notes

Please include a brief narrative for each section you choose to highlight. The report is intended to provide a high-level institutional snapshot and should typically not exceed five pages.

If your institution has an item on the current Board agenda, feel free to reference it briefly in the appropriate section. Keep in mind that Board items may change before the agenda is finalized.
