

### Mission

To develop model programs and self-sustaining learning communities that engage students from all backgrounds in doing mathematics at a high level.

### Core Programs

[Mathworks](#) is a center for innovation in mathematics education at Texas State University. Our core programs are:

- Honors Summer Math Camp
- Junior Summer Math Camp
- Teacher Training
- Curriculum Research & Development

### Mathworks Faculty

Max Warshauer  
Terry McCabe  
Eugene Curtin  
Don Hazlewood  
Carol Hazlewood  
Hiroko Warshauer  
Alex White  
Jian Shen  
Sharon Strickland

### Advisory Board

Herb Carter  
Howard Falkenberg  
Jeffrey Kodosky  
Robert G. Rutishauser  
Jim A. Smith

### Support the Honors Summer Math Camp!

The "[Alumni Legacy Endowed Scholarship](#)" fund provides permanent support for HSMC scholarships, ensuring opportunities in mathematical excellence to students of the future.

## Happy New Year from Mathworks!

We at Mathworks wish you the very best for 2011.

**Summer math camp [applications](#) for 2011 have been posted - [apply online today](#). Let your friends and family know too!**

The Junior Summer Math Camp will be held 6/6-6/17.  
The Honors Summer Math Camp will be held 6/19-7/30.

## Math opportunities for your student

### *School-year contests that provide challenging learning opportunities*

- [American Mathematics Competitions](#) - The AMC is a series of math tests for high school students. The next test dates for the AMC10 and AMC12 are February 7th and February 22nd. Contact your school's math coordinator for information on how to participate.
- [American Regions Mathematics League](#) - The ARML is an annual math tournament that brings together teams from across the nation. The 2011 ARML competition will be held June 3-4. Information about the Texas ARML team can be found [here](#).
- [MathCounts](#) - The most well known math competition for middle school students. Contact your school's math coordinator for information on how to participate in local meets.
- [Rice University Math Tournament](#) - open to all high

**Dear Alumni,**

Have you recently...  
Moved?  
Started graduate school?  
Landed a new job?  
Written a book?  
Received an award?

Or simply want to reconnect with  
other alumni?

We at Mathworks would love to hear  
what alumni are doing these days!.

Simply fill out this [online update form](#).

## Thank You!

***For supporting the HSMC Endowed Scholarship fund -  
providing opportunities in mathematical learning***

Thank you to all who have supported the Honors Summer Math  
Camp "[Alumni Legacy Endowed Scholarship](#)" fund. To date, the  
generous support of alumni and parents has exceeded \$24,000.  
Donations directly fund camp scholarships for students to attend  
the HSMC, providing opportunities in mathematical excellence.

*Thanks to a visionary pledge by the Kodosky Foundation, all  
donations will be matched!*

[Donate online now](#) and help to provide math opportunities!

## Mathworks PMWC Qualifying Test

***Over 600 students took the test this year!***

This is the test Mathworks administers to help select a team to  
compete in the international Primary Math World Contest. We  
plan to announce the team of four finalists in February. Students  
who score well on this challenging test are also invited to apply  
to the Mathworks Junior Summer Math Camp residential  
program.

## Mathworks Alumni recognized in Intel Science Talent Search

***Prestigious high school research competition received over  
1,700 submissions this year***

Qiaoyi Wang (HSMC 2008) and Jennifer Ding (JSMC 2006) were recently selected as semifinalists in the [2011 Intel Science Talent Search](#). Qiaoyi, a senior at Liberal Arts and Science Academy in Austin, worked on a biochemical research project. Jennifer, a senior at the Texas Academy of Mathematics and Science, worked on an environmental science project. We congratulate our alumni on their hard work and continued interest in math and science research!

## HSMC Alumn selected to Youtube Symphony Orchestra

***One of 101 individuals selected to perform with musicians from around the world***

We've long known that our math camp alumni have many talents in addition to having a passion for mathematics. Music being one of them. Travis Yeh (HSMC 2010) was recently selected to participate in the 2011 Youtube Symphony Orchestra in Sydney, Australia! Read more about the Youtube Symphony Orchestra [here](#), and see Travis' audition video [here](#).
