## Summer 2012

It has been a busy and exciting summer! Beginning in June with our Junior Summer Math Camps, immediately followed by our Honors Summer Math Camp, we once again had the opportunity to work with many enthusiastic young students, exploring mathematics and discovering the joy of problem-solving and mathematical thinking! Work also continued on our curriculum development work, as we gear up for the new school year at Miller Middle School here in San Marcos.

In this issue:

- Curriculum Development & Implementation
- 17th Annual Half-Day Junior Summer Math Camp
- Residential Junior Summer Math Camp and PWMC Team
- Junior Camps In Other Locales
- 23rd Annual Honors Summer Math Camp
- Mathworks Alumnus Achieves 3rd Place In International Math Olympiad
- Spotlight on Mathworks partner: Silicon Labs

## Mathworks Curriculum Development & Implementation

In preparation for the Texas Education Agency's upcoming adoption cycle for middle school math curricula, the Mathworks curriculum team continued work on revising, updating, and editing the Mathworks school-year curriculum. The team also worked to align the curricula to
